Ypsilanti Meals on Wheels

realizes that people especially the infirm, the ill, and the disabled, take comfort in their own homes and environments. The meals we provide help people remain independent and in good enough health to be able to care for themselves in the home.

YMOW serves a diverse segment of the general population whose physical or mental conditions impair their ability to provide for their own nutritional needs.

I will be one of the local "celebrities" hosting or waiting tables for tips.

Enjoy a delicious buffet meal, merry music, and of course, absolutely fantastic service. **All tips collected will go directly to Ypsilanti Meals on Wheels to help deliver meals to local homebound individuals in Ypsilanti and the surrounding townships.** Your generosity insures that YMOW is able to meet the continuously increasing need for hot meal delivery service.
