

Gatsby in the Garden

"How can you live the high life if you do not wear high heels?" - Sonia Rykiel, French fashion designer, 1930-2016

Please join Ypsilanti Meals on Wheels (YMOW) in making our upcoming Spring 2019 fundraiser, Meals on Heels, a success. This year's event will again draw its inspiration from the glamour and romance of The Great Gatsby, promising a night filled with 1920s style, the flavors of spring, and of course, everyone's swankiest shoes.

YPSILANTI MEALS ON WHEELS MISSION

Ypsilanti Meals on Wheels is a nonprofit organization with the specific purpose of delivering prepared meals and other life-enhancing services to the homebound elderly, disabled and ill residents in and around Ypsilanti.

We realize that many people, especially the infirm, the ill, and the disabled, take comfort in remaining in their own homes, but are unable to shop or cook for themselves. The meals and the personal contact we provide help people care for themselves and to age safely and happily in their own homes.

Ypsilanti Meals on Wheels has been operating as a home-delivered meal provider for 45 years. Our clients, independent of age or economic position, are medically certified as homebound. Our average client is 87 years old and most likely a woman who is living on less than \$1,000 per month. Multiple medical conditions, physical and/or cognitive, severely limit the ability of our clients to care for themselves. 97% of the people we serve live alone and have little or no family or community support networks.
