YPSILANTI MEALS ON WHEELS MISSION

Ypsilanti Meals on Wheels provides nutritious meals, social contact and other services to the homebound elderly, ill and disabled in eastern Washtenaw County, to enable them to enjoy healthier, safer, and more independent lives.

In 2020 alone Ypsilanti Meals on Wheels provided more than 110,000 meals and other support for 346 people, most of whom are 72 or older and living on less than \$1,000 per month. Many of the people served by Ypsilanti Meals on Wheels live alone, with little or no family support. They rely on Ypsilanti Meals on Wheels to help them continue to live at home, postponing or even avoiding the need for long-term care.

Since our first meals were delivered in 1974, Ypsilanti Meals on Wheels has remained a constant source of support for our homebound neighbors. But we can't do it without the support of our community and people like you.

By sponsoring our Meals on Heels holiday event, you are making Ypsilanti a happier, healthier place for YMOW clients and a stronger community for all.

Thank you!
