## JOIN US TOGETHER, WE CAN DELIVER!

Make a difference in your community by becoming a YMOW volunteer. We are seeking compassionate individuals to assist with meal deliveries, providing a lifeline to homebound neighbors who need a reliable knock on the door and a friendly face.

### More Than a Meal

Whether it's donating supplies, providing financial support, or dedicating your time to support the various wrap-around services YMOW provides, you can play a vital role in enhancing lives.

### PALS (Pets Assisting the Lives of Seniors)

Partnering with the Huron Valley Humane Society, our PALS program ensures that our clients' pets receive the care they need. From delivering food, litter, and supplies to offering veterinary care and grooming support, PALS enriches the lives of both seniors and their beloved companions.

### Personal Care Pantry

Our Personal Care Pantry delivers essential cleaning and hygiene supplies to clients upon request, ensuring they have the resources they need for daily well-being.

### Care on Wheels (CoW)

Empower local seniors to age with dignity in the comfort of their homes through our Care on Wheels (CoW) program. This client-centered initiative focuses on enhancing mobility, improving walking abilities, and ensuring overall well-being. Home modifications, such as the installation of grab bars, make homes safer, allowing CoW clients to access critical areas with ease.
