

**Building community
one meal at a time.**

“I am so grateful for Meals on Wheels,” began a heartfelt email we recently received. But this note wasn’t from one of our clients. It came from a neighbor expressing gratitude for the meals and support we provide to 82-year-old Sadie, who lives across the street. “You make sure my dear friend and neighbor has food, and you help keep an eye on her,” the email continued. “I thank you so much.”

Every visit from Ypsilanti Meals on Wheels provides “more than a meal,” not only for the person who answers the door, but for the people who care about them.

What does your gift mean for a homebound neighbor?

Dear [Firstname],

Your generosity makes all of this possible.

Knowing Ypsilanti Meals on Wheels will knock on the door brings peace of mind to family, friends, and neighbors of homebound seniors.

Your gift makes those knocks possible and helps create a world where seniors feel valued, safe, supported, and never alone.

Here's what we mean when we say Ypsilanti Meals on Wheels delivers "more than a meal":

Safety + Comfort

Every delivery includes a wellness check, ensuring our homebound neighbors are safe and cared for. Our staff and volunteers are trained to respond if a senior is in distress.

Connection

Often, our staff and volunteers are the only people a senior sees all day. From a warm smile to a helping hand, these visits combat loneliness and offer companionship.

Pet Support

For many seniors, pets are their closest companions. Your support helps us provide pet food, supplies, and veterinary care so seniors and their beloved animals can stay together.

Home Safety

Through our Care on Wheels program, we help seniors live more safely at home by installing grab bars, shower chairs, and other essential aids.
